How We Assist...

## SMALL BUSINESS

Meeting the accounting needs of small to mid-sized companies.

### A respect for hard work

Bonadio understands the pressures you face in small business. Tax laws change. Cost pressures intensify. And, sooner or later, your succession plan weighs on you. We also understand that many small businesses are personal endeavors that come from your own blood, sweat and tears. What's right for your business has to be right for you, too.

### Think of us as a powerful, personal ally.

That's what we are for small businesses throughout our region, thanks to our unmatched assortment of resources and contacts. We're connected to sound funding sources. Lawyers and government assistance programs. And we have a dedicated small business staff who orchestrate and execute a plan that covers every base, from bookkeeping to accounting software. Payroll to employee benefits.

Big firm capability. Small firm personality.
